

List of Supplies/Materials for Tabling

The supplies/materials are located in the basement of the New Mexican. If you enter the building through the back door go to your left and you will see a cabinet to your left. The cabinet and the area around it have been allotted to the League for their supplies/materials.

Most of the supplies/materials are located inside the cabinet with some of the larger articles outside it.

Outside the Cabinet:

- Folding table (first check to see if event has a table)
- Folding chairs (first check to see if event has chairs)
- Poster with League of Women Voters used to place on table

Inside the cabinet:

- Box with tablecloth-one has a Logo (in beige sack) and the others are plain (in a box on the shelf)
- Stand for table sign
- Small plastic container for bookmarks
- Bookmarks
- Candy (spread it on table)
- Pens/pencils
- Reading glasses (2 pairs)
- 3x5 cards

Materials in a small blue accordion filling box inside the cabinet):

- LWV of SF flyer with application for membership on the back
- Voter Guide-several all marked as "DESK COPY"
- General LWV state priorities/position/studies (from A&A Committee)
- Listing of Events-The Voter also lists events
- The Voter - last three recent issues filed by month
- High School Voter Registration Report

Please return all supplies/materials to the place where you borrowed them. If some of them need to be replenished, please email me at kdavis466@gmail.com so I can replace them. I want to make sure that the next person who needs tabling supplies will have access to everything on the list.

Thank you,

Kelly Davis
